

YOUR SHED – YOUR WAY

At The Shed Shop, no two sheds are the same. Because no two shed owners are.

THE SHED SHOP

YOUR SHED YOUR WAY

**The Shed Shop is different because we customise
to exactly your site, and exactly your needs.
Tell us what you need and we'll create it.**

That's right - there's no penalty for going 'off plan'
because there is no set plan. It all starts with you.

Customised for your
needs and your site

Timber or steel, choose
a look that suits you

Our sheds work and last
- no costly regrets

Built, delivered, installed -
top quality all the way

What are my options?

- **Big or small, short or tall** – any dimensions are ok, the price scales accordingly
- **Colour steel or timber clad** – it's your choice
- **Bold or neutral?** Select a shade from our colour steel range, paint your timber, or just leave it natural
- **Doors where you want them** – and we can add more
- **Light and ventilation** – we offer windows, louvres, vents and extra skylights
- **Workbench** – we can build one in
- **Shelves, hooks and hangers** – a safe and easy way to hang everything from power tools to bikes

Or, we can make it easy

If you're not sure of the best option for you, let us help. We have dozens of popular sheds up our sleeve and are happy to advise on the best fit for your needs.

Ask for anything – except flimsy

Ever heard the groan of bending metal as you tried to hang a bike or kayak in your shed? Trust us, you don't want to. The Shed Shop sheds stay put. They are well anchored so won't tip, blow away or subside.

We won't do kitset because by definition it makes poor sheds. Construction and installation is included in our prices, with a ten-year guarantee. That makes us great quality and value. We give you loads of choices, but there's one thing we won't do: flimsy.

Why choose The Shed Shop?

- Our sheds are custom-made to your exact specifications, based on the size of your space and how your shed usage requirements
- We build all-weather sheds with a choice of timber or steel finish
- Your shed is built in our factory using only quality materials
- We will deliver your shed pre-assembled for quick installation or our team of professionals will complete assembly at your place in just a few hours
- All of our sheds are extremely robust and fit for purpose – this is backed up by our 10-year warranty

BUILT, DELIVERED, INSTALLED

COLOUR STEEL SHEDS

Whether your desired look is soft and neutral or bold and dramatic, our colour steel garden sheds come in a wide range of colours and contrasting trim, to suit your house and landscaping.

One sliding door comes as standard on all our colour steel options, but you can add extras if needed and vary the size and placement of doors. You can choose from our range of colours for wall, roof and trim - all at the same cost.
